

Caution Beacons

Our Caution Beacon Kits are the right choice for school zones, temporary construction zones, and other areas that require motorists' attention. Bright beacons and simple controls, combined with a variety of options. Make our beacons ideally suited for any application. Choose from a variety of kits that contain everything you need, or select individual components.

- Variety of kits
- Two types of high output lamps
- Single and double beacon heads
- Automatic night dimming
- Optional 365-day timer
